

NOTICE OF: APPLICATION MINOR DESIGN REVIEW PERMIT (MDRP)

An application has been filed for a Minor Design Review Permit (MDRP). This permit requires approval from the Planning Manager for improvements which comply with the requirements of Zoning Ordinance Section 19.74.010.C2(a).

The applicant is required to post this application on their place of business, in a plainly visible location, for a period of 10 days. If no request is made for a public hearing, the Minor Design Review Permit will be approved on the 11th day and a 10 day appeal period of the Planning Manager's decision begins. If no appeal is filed during the appeal period, the applicant may proceed with improvements after the appeal period has expired (on the 21st day following the first day of posting this notice). If you have questions, call the Planning Division at (916) 774-5276 (California Relay Service 1-800-735-2929) or staff is available at 311 Vernon Street, Roseville, CA 95678.

This notice shall be posted on the place of business from _____ to _____
