Date: March 28, 2022
To: RCONA
Subject: 505 Royer Street

Dear Board Members:

The Development Services Department has received an application for a new affordable housing development in the City of Roseville. **This letter is a courtesy notice of the pending development, as the project is not subject to a public hearing or public notification process.** The project is being reviewed against the Objective Design Standards (ODS), which is a non-discretionary ministerial permitting process.

On April 21, 2021, the City Council adopted a set of quantifiable design standards, known as the Objective Design Standards (ODS), to meet the City's affordable housing goals and to comply with recent State law. The intent of the ODS is to establish a process by which to review new, qualified affordable housing projects through a ministerial (i.e. "non-discretionary") permitting process. The applicant has self-certified that they are consistent with ODS standards and therefore eligible for the streamlined review process. The City has confirmed that the project meets the ODS.

Additional information regarding the ODS is available here: www.roseville.ca.us/ODS

The City is committed to providing decent, safe, inclusive, and affordable housing for the Roseville community. Affordable housing is important to the health of the community and the local economy. When members of the community can afford to live in the same community where they work, it improves commute traffic, increases investment in the local community, and improves an employer's ability to attract and retain employees.

Please see the following section for key project details. Additional information on this project is available under the "Current Projects" tab on the ODS webpage (see link above).

Project Name: DTSP PCL DT-7 – Royer Street Apartments

Description: The proposed development is a 69-unit age restricted senior affordable apartment complex with a community room, community garden, courtyard area, and surface parking on two (2) parcel (1.16 acres) in the Downtown Specific Plan area. The development will contain a mix of studio, one, and two-bedroom units ranging from 469 square feet to 896 square feet. The project also includes a total of 61 parking spaces on the second parcel located south of the apartment complex.

Site Location: 505 Royer Street (013-290-005) & 300 Taylor Street (013-290-006)

Specific Plan Area: Downtown Specific Plan

Specific Plan Parcel #: DT-7

Zoning: CMU/SA-DT & CMU/FF/SA-DT

General Plan: Community Commercial (CC)

Applicant: Claire Kostohryz, Bridge Housing Corporation

Owner: City of Roseville

Thank you for your continued interest in development activity within the City of Roseville. If you have any questions regarding this project, please contact the Planning Division at 311 Vernon Street or by phone at 774-5276.

Sincerely,

Escarlet Mar, Associate Planner
