Project Description

Applicant/Owner: Lanny Winberry, Nageley Kirby & Winberry, LLP

Date Filed: March 23, 2022

File/Project Number: PL22-0090

Project Name, Address & Location: INFILL PCL 195 – Ethos Veterinary Clinic Parking Reduction, 1901 Douglas Boulevard, Roseville, CA 95661

Request: The applicant requests approval of an Administrative Permit for a parking reduction for a proposed vet clinic located at 1901 Douglas Boulevard. The 25,853-square-foot space would require 172 parking spaces for a veterinary clinic use. The applicant is therefore requesting a parking reduction based on the operational characteristics of Ethos. The applicant has submitted information to the City detailing that the proposed vet clinic would only require 97 parking spaces.

Environmental Determination: This project is categorically exempt from the environmental review requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15305, "Minor Alterations in Land Use Limitations". The project involves an Administrative Permit to allow a reduction in the required parking, which will not result in any changes in land use or density and is therefore exempt according to the CEQA guidelines listed above.

LAST DAY TO REQUEST A PUBLIC HEARING: June 20, 2022 by 5 p.m.

Note: If a decision is challenged in court, the challenge may be limited to raising only those issues which were raised at a public hearing or in written correspondence delivered to the Planning Manager at, or prior to, the public hearing. A public hearing for this application will not be held unless you or another individual requests a public hearing.
