Project Description

Applicant/Owner: Ryan Smith, Thomastown Builders

Date Filed: April 6, 2021

File/Project Number: PL21-0122

Project Name, Address & Location: NIPA PCL 45 - Moksa Parking Reduction – 10007 Foothills, Roseville CA 95678

Request: Request for a 14-space parking reduction to allow a restaurant and barrel storage use in the Cemo Business Park. There are 758 spaces in the center and a 24 space parking surplus by code. The new use requires 38 spaces. Justification for the reduction includes the hours of operation and parking utilization in that area of the center.

Environmental Determination: This project is categorically exempt from the environmental review requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15305, "Minor Alterations in Land Use Limitations". The project involves an Administrative Permit to allow a reduction in the required parking, which will not result in any changes in land use or density and is therefore exempt per the CEQA guidelines listed above.

LAST DAY TO REQUEST A PUBLIC HEARING: May 10, 2021 by 5 p.m.

Note: If a decision is challenged in court, the challenge may be limited to raising only those issues which were raised at a public hearing or in written correspondence delivered to the Planning Manager at, or prior to, the public hearing. A public hearing for this application will not be held unless you or another individual requests a public hearing.
